► **Mischa Cornet takes on the role of Head of Professional Clients for the Netherlands, Luxembourg and Nordics at Carmignac Gestion**

Mischa Cornet's expertise on Nordic countries and the Benelux region enables him to expand his role within the company. Mischa's principal mission will be to reinforce our activities in the Netherlands and to develop the company's presence in Sweden where our funds have been registered only recently.

Mischa Cornet began his career at ING Bank in 1996 as a Private Client Adviser, a role he pursued at ABN AMRO Bank in 1998. After a spell at Dresdner Bank between 2001 and 2004, he joined Carmignac Gestion as a Sales Director for Germany for two years, and then became Head of Sales for Luxembourg and Belgium at Schroder Investment Management, before moving to Credit Suisse Asset Management as Distribution Director for the Benelux, the Nordic Countries and the Baltic States.

In 2009, Mischa Cornet returned to Carmignac Gestion as Head of Development for professional clients for the Benelux and now takes on the role as Head of Development for professional clients for the Netherlands, the Nordics and Luxembourg.

► **Frédéric Jacob joins Carmignac Gestion as Co-Head of Belgium to take over the French speaking professional clients. Herwig Bogaerts remains in charge of the Flemish speaking professional clients**

Frédéric Jacob has begun his career in 1999 as Junior Equity Trader at Banque Degroof in Brussels. In 2001, he moved to Luxembourg to take up a new challenge as Business Consultant and Project Manager at Odyssey Asset Management Systems. In 2003, he became Business Development Manager at Derivative SA in Brussels where he was responsible for Europe. Two years later, he joined Dexia Asset Management where he worked successively as Private Clients Portfolio Manager (Advisory Management) and Institutional Clients Relationship Manager.

About Carmignac Gestion

Founded in 1989 by Edouard Carmignac, Carmignac Gestion is one of the leading independent asset management companies in Europe today. The company's shares are held entirely by its managers and staff. In this way, the company's long-term viability is ensured by a stable shareholding structure, reflecting its spirit of independence. This fundamental value ensures the freedom required for its successful and renowned portfolio management.

Managing over €33 billion of assets, Carmignac Gestion has developed a range of 19 funds across all asset classes, including equity funds and balanced funds, as well as a mandate offering.

Our funds are actively distributed in ten European countries: France, Luxembourg, Switzerland, Belgium, Italy, Germany, Austria, Spain, The Netherlands and Sweden. As a platform for its international development, the company has had a subsidiary in Luxembourg since 1999. In 2008 it opened representative offices in Madrid and Milan.
