

An introduction

We are an entrepreneurial company, which strongly believes in the power of human-driven insight and is actively committed to every client.

More than 30 years of independence

Founded by Edouard Carmignac and Eric Helderlé in 1989, Carmignac is an independent asset management company, and one of Europe's leaders.

A French asset manager, an international presence

French origins

Since it was founded in Paris in 1989, Carmignac has relied on French financial investment advisers to distribute its products. Today, our network of professional partners covers the entire country and they are considered ambassadors for the company.

An international foothold

Our European adventure began in 1999 with the opening of a subsidiary in Luxembourg. Carmignac Funds are currently distributed in 16 countries worldwide.
